Wine

Barranco del San Ginés 2016

Varieties

Tempranillo, Graciano, Garnacha, Viura y Mazuelo

Origen

Laguardia

Production

812 bottles

Vineyard

Single vineyard wine, from a well preserved 1.3 hectare vineyard planted in 1935. With 28 fruit trees spread throughout the vineyard, 2 stone sheds and stone wall terraces, the vineyard is a reminder of how grapes were cultivated in Rioja in the past. Vines planted on 4 terraces from 520 m to 600 m on a south east facing slope of the Sierra Cantabria in Laguardia. Planted with 5000 vines per hectare traditionally worked all by hand and mules. Limestone soils. The wine is aged in wood for two years and one year in bottle before release. Truly iconic wine that expresses its origin and the history of Rioja.

Tasting note

The wine has a medium garnet colour with primary fruit aromas of cherries, blackberry, bramble and blackcurrant. Secondary aromas of brioche and tertiary aromas of figs, prune, forest floor and earth. This wine expresses the tipicity of the vineyard. The palate is elegant and well textured with smooth tannins. Good acidity, body and length. Great ageing potential.

Barranco del San Ginés 2016

Alcohol 14,0 % - Total Acid 5,4 g/l - pH 3,6 - RS 1,9 g/l
