Varieties	Malvasía
Origin	Rioja Oriental, Rioja Alavesa y Rioja Alta
Production	933 bottles
Vineyard	This is our interpretation of the grape variety Malvasia in Rioja. We aim to reflect the characteristics of this grape variety by producing it as a single variety from Rioja. In the vineyards we select low yielding, dry land farmed old vines to make this wine. In the cellar we ferment and age this wine for one year in oval concrete tanks.
Tasting note	This wine has a golden colour with a floral nose that has fruit aromas of gooseberry, orange peel, apricot, flint and almonds. The palate is dry with a medium acid and body. Apple, grapefruit and lemon aromas are present on the palate combined with a creamy texture.
