Vineyard

This is our wine that represents the blending tradition of Rioja. We select diverse small vineyard plots throughout the whole region of Rioja. Blending together the different soils, climates and varieties in Rioja to make this wine. In the cellar we aim to maintain the fruit and express our impression of the terroir and vintage in Rioja.

Tasting note

This wine has a lemon green colour with primary fruit aromas of apple, pear, peach and apricot. Some brioche and biscuit secondary aromas are present from the ageing on the lees in a cement tank for one year. It is dry with a medium palate and acid.
