Vineyard	This is our interpretation of the grape variety Grenache in Rioja. We aim to reflect the characteristics of this grape variety by producing it as a single variety from vineyards in Rioja Oriental on the south eastern slope of the Sierra la Hez mountain range. We select low yielding, dry land farmed old vines in rocky soils to make this wine. In the cellar we tank ferment in concrete and age this wine for one year large oak barrels for one year.
Tasting note	This wine has a light red colour with a floral nose of rose and violets. Red currant, cranberry, red cherry and black cherry are dominant on the nose and palate. The palate is light and textured with a medium body, alcohol and acidity.
