Vineyard	This is our interpretation of the grape variety Viura in Rioja. We aim to reflect the characteristics of this grape variety by producing it as a single variety from Rioja in the region of Rioja Alavesa. In the vineyards we select low yielding, dry land farmed old vines to make this wine. In the cellar we barrel ferment and age this wine for one year in large oak barrels.
Tasting note	This wine has a lemon colour with primary fruit aromas of apple, pear, lime and peach. Some secondary aromas are present from the ageing for one year in large oak barrels on the lees. It has a medium palate, acid and alcohol with a persistent finish.
