Atípicos de Rioja

Wine	Liventura Viura 2022
Varieties	Viura 100%
Origin	Laguardia - Rioja Alavesa
Production	3.298 bottles
Vineyard	<p>This is our interpretation of the grape variety named Viura in Rioja, which is otherwise known as Macabeo in other parts of Spain and southern France. We aim to reflect the characteristics of the old clones of this grape variety from our vineyards that are planted on the white limestone slopes of the Sierra Cantabria mountain range in the north of Rioja Alavesa. We select the old low yielding dry land farmed goblet vines for this wine.</p>
Cellar	<p>The grapes are whole bunch pressed. The must is cooled and settled naturally for 48 hours before racking the clean juice to large barrels where it ferments and ages on the goss lees for one year before bottling.</p>
Tasting note	<p>This wine has a lemon green colour with primary fruit aromas of elderflower, apple, lime, and peach. Some secondary aromas are present from the ageing on the lees. It has a medium palate, medium acid and medium alcohol with a long finish.</p>
Allergens	Contains sulphites
Energy	76 kcal/100ml
